SUMMARY

I turn first conversations into partnerships that last. I lead global sales and partnerships at Musemind, a UX design agency, including the inbound team. I work with clients from first-time founders to enterprise teams across 35+ markets. Before that, two and a half years at Airwork AI in B2B sales and customer success.

EXPERIENCE

Musemind
Feb 2026 – now

Manager, Global Sales & Partnerships · Dhaka

- Lead global sales and partnerships, including the inbound team: every lead from first reply to signed deal.
- Run discovery with founders and enterprise teams to find what is actually broken before anything is pitched.

Airwork AI
Jan 2025 – Feb 2026

Senior Customer Success Manager · Remote

- Led success for 45+ client accounts across about 15 countries.
- Helped founders build, scale and keep distributed engineering teams; drove upsell and expansion; monitored account health to prevent churn.

Airwork AI
Jul 2024 – Jan 2025

Customer Success Manager · Remote

- Managed 50+ startup relationships from idea to launch.
- Built a structured feedback loop to improve product-market fit; raised retention by reworking onboarding and support.

Airwork AI
Sep 2023 – Jul 2024

B2B Sales Specialist · Remote

- Closed deals with early-stage startups; expanded reach to 15+ countries and onboarded 140+ startups.

Daraz
Jan 2023 – Apr 2023

Marketing Intern, brand partnerships · Dhaka

- Onboarded brands after the pitch, walked them through MoUs and spend, and aligned local, regional and finance teams so issues were solved and brands were paid on time.

Beyond The Metrics
Aug 2022 – Jun 2023

Co-founder, VP Administration

- University event and community run on zero budget.

Grey Nebula
May 2021 – Jan 2023

Co-founder

- Tech blog; 36,000 impressions a day, broke even within six months.

EDUCATION

Islamic University of Technology
2019 – 2023

BBA, Business and Technology Management

Birshreshtha Noor Mohammad Public College
2016 – 2018

HSC, Science

HONOURS

- Winner, ISCEA PTAK Prize supply chain case competition, 2021
- Talent Pool Board Scholarship, Junior School Certificate

CERTIFICATIONS

- Excel Skills for Business: Essentials, Coursera, 2020
- Python 3, Sololearn, 2020

RESEARCH

- Literature Review of Zero-Leverage Firms: A Text-Mining Approach. *J. of King Abdulaziz University: Economics and Administration*, 2026.
- Research Synthesizes in Pro-environmental Behavior in Education. *Managing Global Transitions*, 2024.
- Promoting Pro-Environmental Behavior in Policymaking. *Evaluation Review*, 2023.
- Pro-environmental Behaviour in Agricultural Studies. *Int. J. of Agriculture Innovation, Technology and Globalisation*, 2023.
